## **Student Codes and Regulations**

### **School Attendance, District Policy 522:**

It is recognized that attendance is very important in the education of students. Students are required to be in attendance at school at least ninety (90) percent of the time school is in session during each semester. The board may deny a promotion to the next grade or deny credit to any student who does not meet that standard even if he/she has passing grades. Absence from class for any reason (with the exception of school sanctioned activities), including family convenience, shall be counted when the percentage of attendance and consequent eligibility for promotion or credit is being considered.

A parent/guardian who has valid reasons to believe that all or part of the absences are the result of extraordinary circumstances, may file a written request for review by the building attendance committee within five (5) days of receiving notice of denial. The building attendance committee shall review the records and the circumstances and make a determination as to whether or not the student should receive credit. The attendance committee shall consist of a school administrator, school counselor, a recording secretary, and three (3) teachers designated by the principal or his designee. Extraordinary circumstances may include, but are not limited to, verified illness, medical treatment, death in the family or death of close friends, medical or dental professional appointments, and family emergencies.

The decision of the attendance committee may be appealed to the superintendent. This appeal must be submitted to the superintendent within ten (10) working days after receiving the committee's decision.

The decision of the superintendent may be appealed to the board for a final decision. The appeal must be filed with the superintendent's office within ten (10) working days after the superintendent made notification of his/her decision to the student or parents. The board will address the appeal in executive session. The board's decision will be final.

The student will be allowed to continue to attend classes pending the board's determination in this matter.

### **9-Day Attendance Rule:**

District Policy 522 states that students who miss more than nine days per semester, excused or unexcused, whether by periods or entire day, will be denied semester credit in that class or classes. Suspensions will count toward the nine days. Appeals for credit loss may be made to the Attendance committee (see procedure above).

### **Excused Absence:**

Students may have excused absences for doctor/dentist appointments, illness, family emergency, school activities, court appointments or pre-arranged absences. Students have one day for each day of excused absence to make up missing work. No more than a week will be allowed for make-up work unless prior arrangements have been made.

Students who are 18 or older may NOT sign themselves in and out of the building. They may sign themselves out for the day only for court or medical reasons. Students who are 18 or older must follow the same rules for excused absences as all other students.

### **Unexcused Absence:**

Unexcused absences are defined as any absence other than those listed above. Assignments missed due to an unexcused absence may not be made up without teacher approval.

### **Returning to school after an absence:**

1. A parent must notify the attendance administrator, either in writing or by phone, *within 48 hours* of the student returning to school.
2. The attendance administrator will enter all absences as unexcused until the parent phone call and/or note has been received. Once received, the absence can be changed to excused.

When a student has absences (excused or unexcused) the following procedure will be followed:

1. 4 absences:
  - a. A letter is sent home.
  - b. If necessary, attend tutoring after school until all missing work is completed.
2. 7 absences:
  - a. A second letter is sent home.
  - b. Student may be assigned to Saturday school to complete school work, if necessary.
3. 10 absences:
  - a. Denial of credit (see district policy 522 above for the appeal process).
  - b. Possible referral to Boise County Prosecutor/ICAN

### **Truancy:**

1. First occurrence: >Hour for hour detention.
2. Second occurrence >Letter to parent emphasizing Idaho Statute.  
>Copy to county prosecutor and/or ICAN.  
>Hour for hour detention or Saturday school.
3. Third occurrence >Referral to Boise County Prosecutor program.

[Note: Credit for work missed as a result of unexcused absences is awarded at the discretion of the teacher.]

### **Tardies**

A student is tardy if he/she is not in the room when the bell rings. Tardies not resulting from being on school business, as determined by the office, are unexcused. Late buses or related activities are considered school business. Phone calls to parents are not considered school business unless office personnel instruct the student to do so. A second unexcused tardy will result in the student be given a lunch detention. Failure to attend the detention will result in an additional lunch detention. If a student fails to attend either of these, parents may be notified and the student may be assigned to Saturday school, after school detention or in school suspension.

### **Food and Beverage**

School lunches are to remain in the cafeteria. Snacks may be eaten in the academic hallway, provided it is kept clean. **Students are not to have food or beverage in the classrooms or library.**

### **Bus Behavior**

*Riding the school bus is a privilege.* Riders are responsible for maintaining appropriate behavior while loading, riding and unloading. Parents and students will be required to read, sign and return the following list of rules in order to use any bus transportation. Failure to obey the following rules will result in the denial of bus riding privileges.

1. Students will enter the bus with the least possible confusion, be seated and remain seated until the bus stops for students to unload.
2. Students will keep all parts of their bodies inside the bus except when unloading.
3. If necessary to cross the road, do so fifteen (15) feet in front of the bus and wait at the right edge of the roadway for a signal from the bus driver before proceeding into the traffic lanes.
4. Students will stay away from the bus except when loading or unloading.
5. Students will respond to the driver's requests promptly.
6. Students will wait in an orderly line and avoid "horseplay."
7. Each student will go directly to an available or assigned seat when entering the bus.
8. Students will not throw or pass objects on, from, or into the bus.
9. Except when prior approval is granted, pupils are to carry on only objects that can be held on their laps.
10. The student will not carry hazardous materials, objects or animals on the bus.
11. The students will only leave or board the bus at their assigned stop. Due to limited space on busses, requests from the parent or guardian regarding their student riding to or from an alternate stop must be received in the school office at least 24 hours prior to the desired change. Requests will not be approved if the alternate bus does not have available space or if requested less than 24 hours in advance.
12. Students are also expected to follow all other school rules listed in this handbook.

### **Driving**

Licensed student drivers are permitted to drive to school and park licensed and insured vehicles on school premises as a matter of privilege, not right. Students may not sit in cars during the day while classes are in session or have lunch in their cars. Failure to comply with these rules will be treated as a disciplinary violation.

### **Closed Campus**

Considering the health, safety, and well being of the students, staff and community, it shall be the policy of this school district that the school grounds shall be considered a closed campus, except provided below in lunch procedure.

Students may not leave the school grounds during the regular school day unless attending a class held under school district auspices in an off-campus setting. The parking lot shall be off-limits during class time. Students wishing to leave school grounds prior to the end of the normal school day must have a note from their parents/guardians and sign out in the school office.

### **Lunch Procedure**

Skateboards, roller blades and skates are not permitted on buses or on school property during regular school hours or when there are after school activities.

Students are to use only the locker and lock that is assigned to them. Depending on availability, some students may need to share a locker. The larger lockers are assigned to seniors first, followed by juniors.

Lockers are on loan to students for storage purposes and the school makes every effort to insure the security of lockers that are used in the proper manner. Assigned locks are to be returned upon checking out of school. It is also the students' responsibility to clean the locker out. This includes, but is not limited to, food, beverages, trash, books, personal belongings, writing/markings and adhesives. There will be a \$5.00 charge for failure to return the lock.
